THE BRIEF, SETTLED

# Scope & decisions

### Google or Apple, then link

Sign in, then match the member record by Member ID and registered mobile.

### KD 20 a year

Member declares payment and uploads a receipt; the treasurer confirms and types the receipt book number.

### No payment gateway

Bank transfer with a receipt, or cash at the KSE office. Nothing is collected in the app.

### QR at the door

An EC volunteer scans the member's card. Works offline as well as on.

### Registers, not a chat room

Blood donors, speakers, mentors, referrals, carpools, skills, sponsors. WhatsApp stays for conversation.

### Wings get their own space

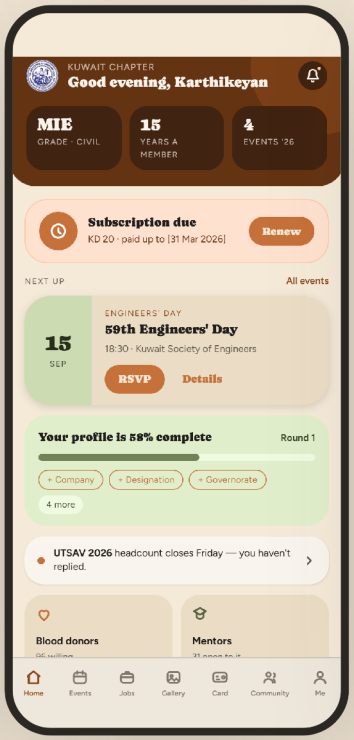

Ladies Wing and Science Club each have a feed their convenor can post to.

GETTING IN

# Sign-in & record linking

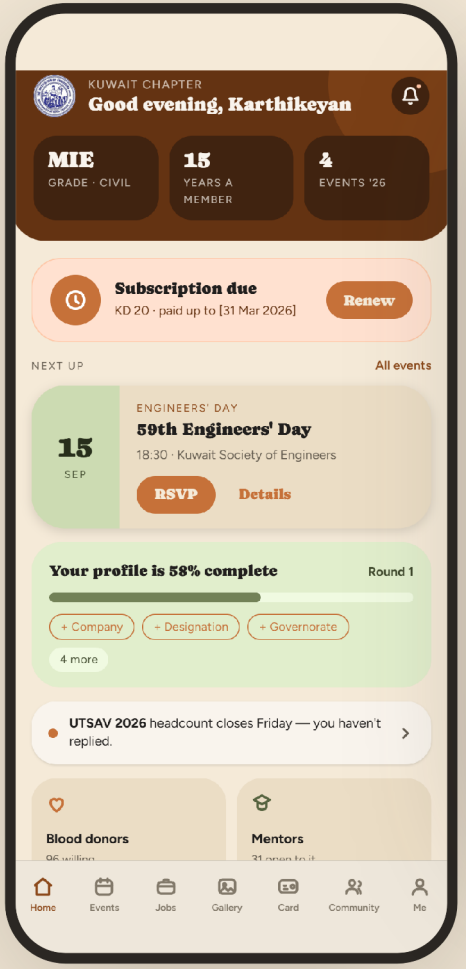

- Google or Apple sign-in, or carry on as a guest.
- The record is linked by **Member ID and registered mobile** — not by email.
- Guests can browse events, RSVP to open ones and start an application.

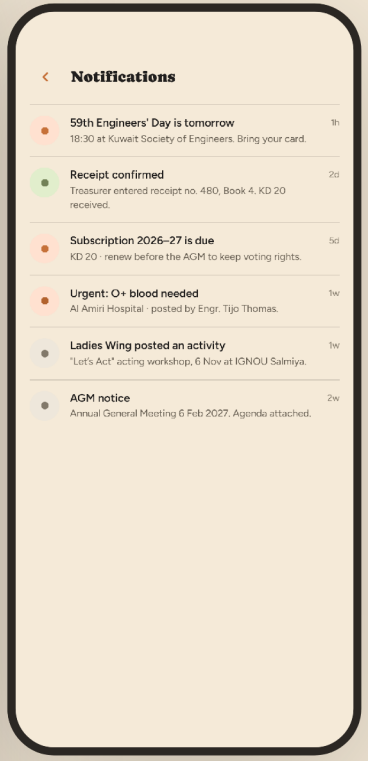

WHAT A MEMBER SEES FIRST

# Home — member dashboard

- Grade, years with the chapter and events attended, in the header.
- A dues band that clears itself once the treasurer confirms the receipt.
- The next event with a one-tap RSVP, and register shortcuts underneath.

Programme

Eleven listings

Seminars

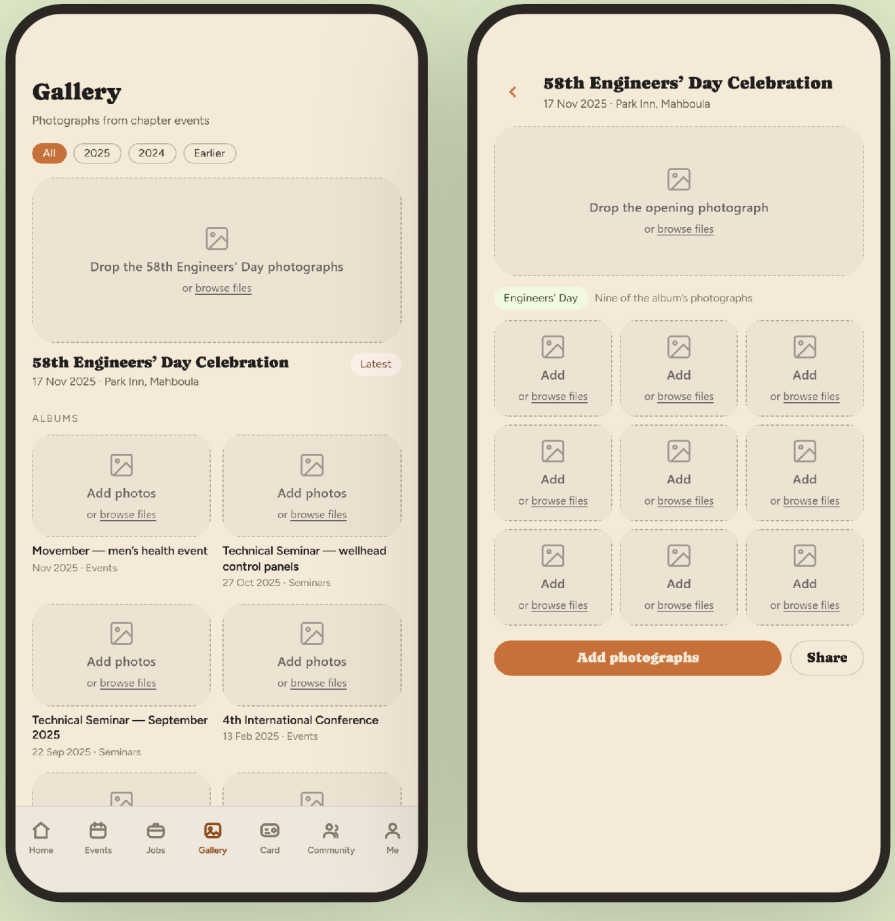

AGMs · Meetings · Seminars · Engineers' Day · Family Day · Events · AMIE Exams · EC Meetings · Science Club · Ladies Wing · Archives

Seminars back to December 2019, Engineers' Day back to 2016, four AGMs, and the nine archive entries — including the website going live in June 2001.

NEW

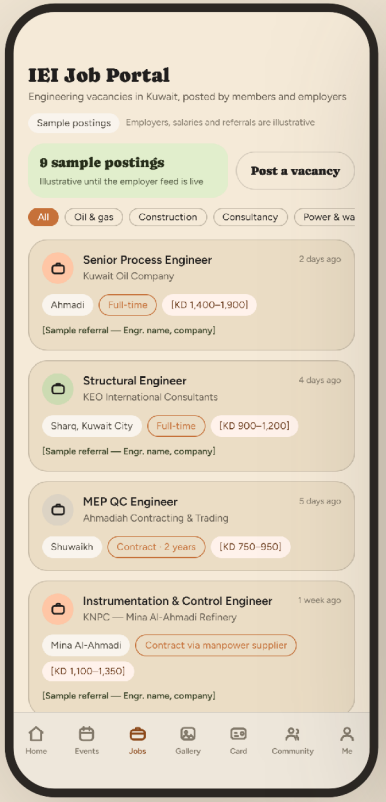

# Photo gallery

- Albums per event, filtered by **All · 2025 · 2024 · Earlier**.
- A hero photograph and nine tiles inside each album.
- Members may add their own photographs; the EC approves before they appear.

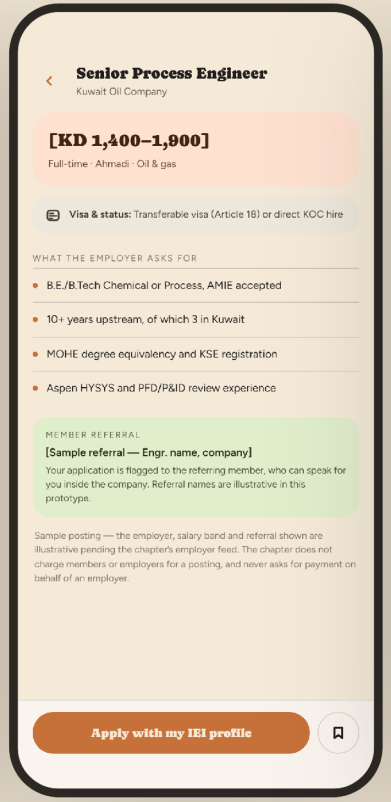

NEW TAB · KUWAIT VACANCIES

Vacancies

Detail

Applied

Sorted by sector: oil & gas, construction, consultancy, power & water, IT and facilities.

An application carries the member's grade, ID and subscription standing — verified by the chapter. That verification is what an employer cannot get from a job board.

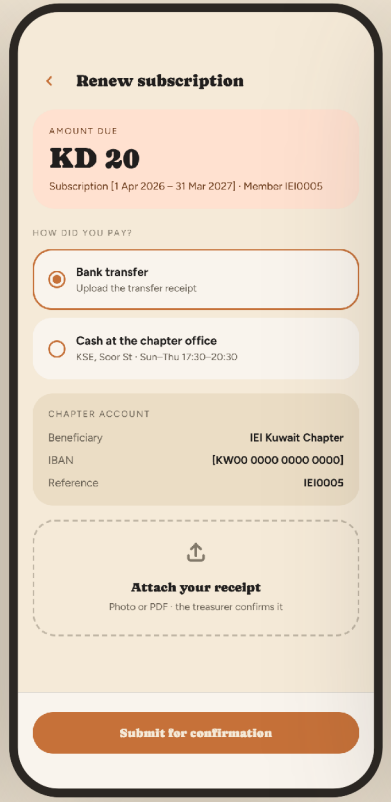

Postings are reviewed by the EC. Agencies charging candidates a fee are refused.

THE PASS AND THE DUES

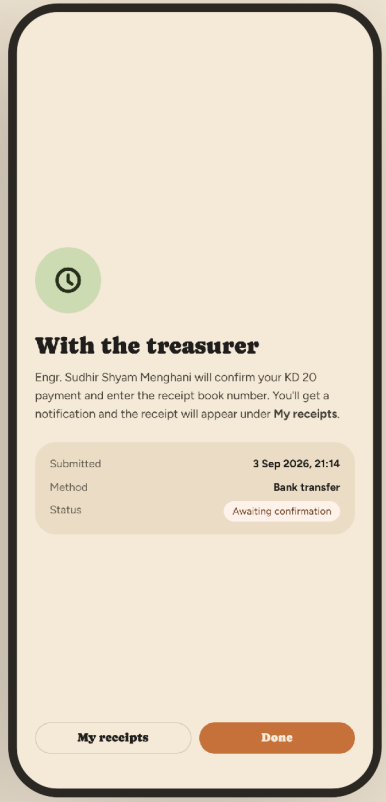

# Membership card & renewal

Brass pass

Declare payment

With the treasurer

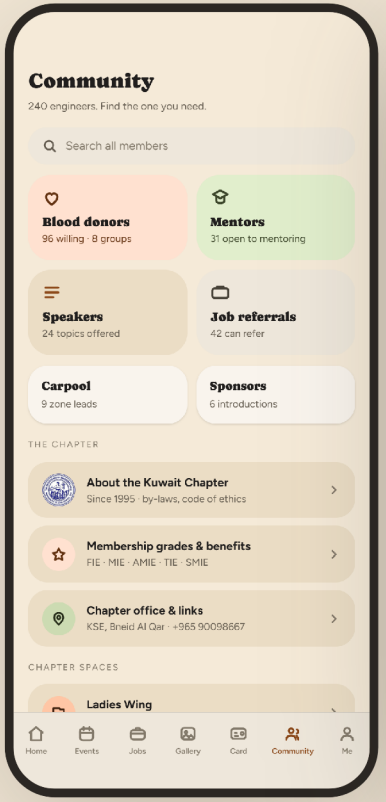

## KD 20

A year. Bank transfer with a receipt, or cash at the KSE office.

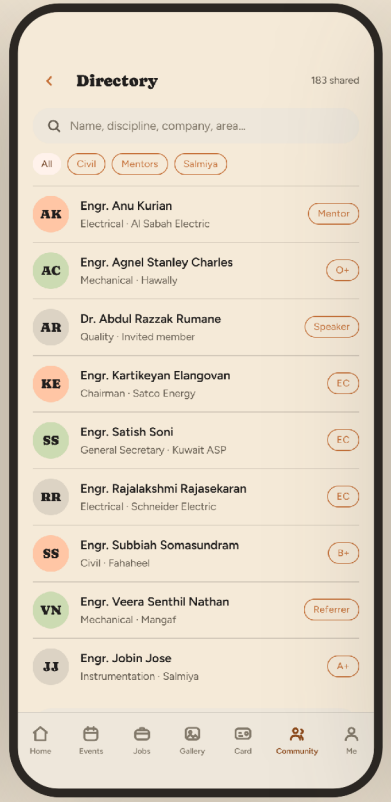

The card carries the photograph, QR, Member ID and IEI India number, grade, discipline and blood group.

WHAT MEMBERS GIVE EACH OTHER

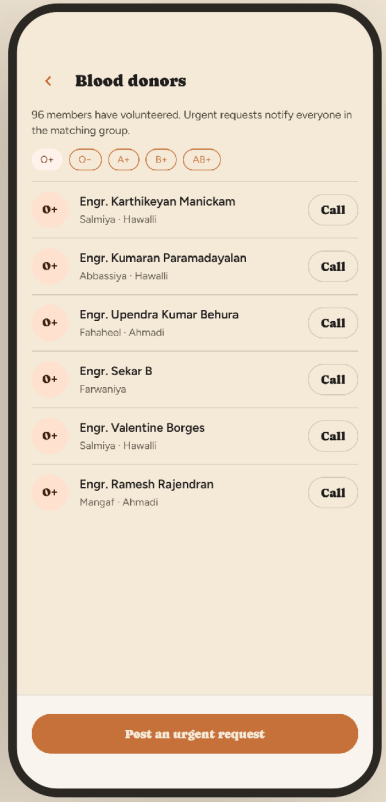

# Community & registers

Registers first

Directory

Blood donors

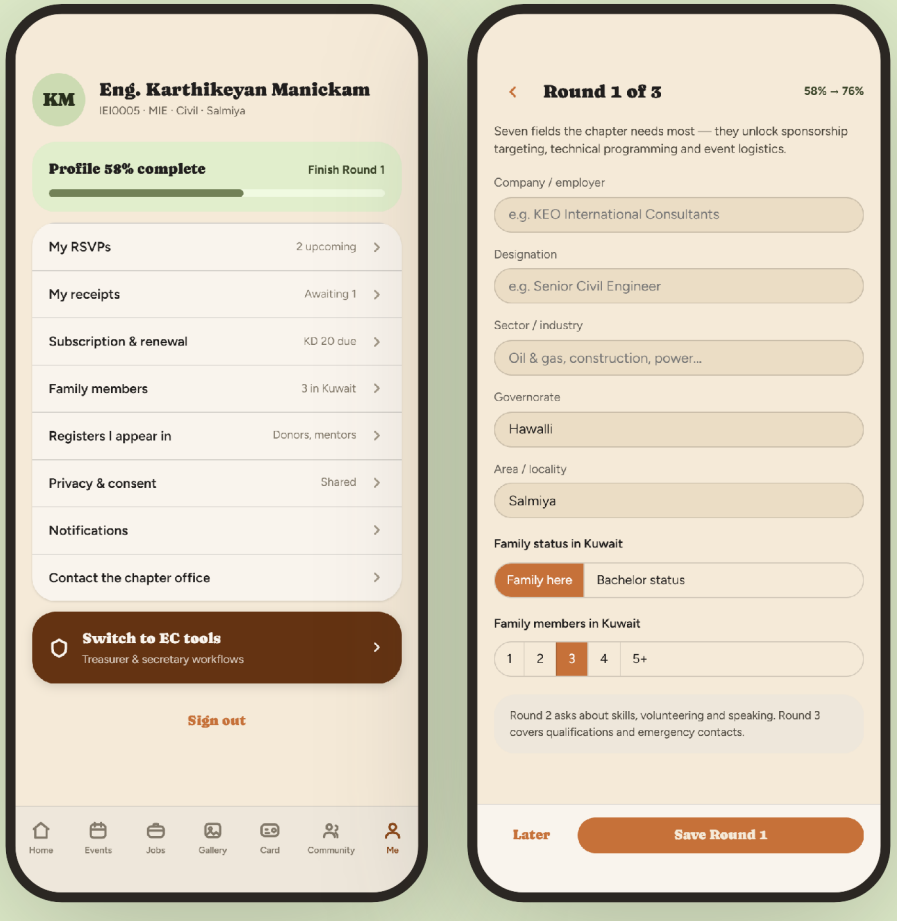

Blood donors · speakers and topics · mentoring · job referrals · carpool leads · skills · sponsors · members referred

Where a member has not answered a consent question, the answer is visible to the EC only — never to the directory.

THE CORE LOOP

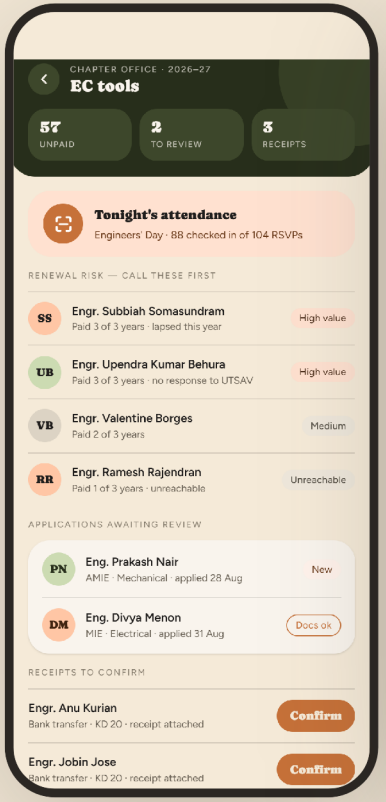

# Profile completion

- 118 fields across 14 categories, asked in **three rounds** — never one long form.
- Progress is visible to the member; the engagement score is not.
- Engagement and renewal risk stay with the EC, by decision.

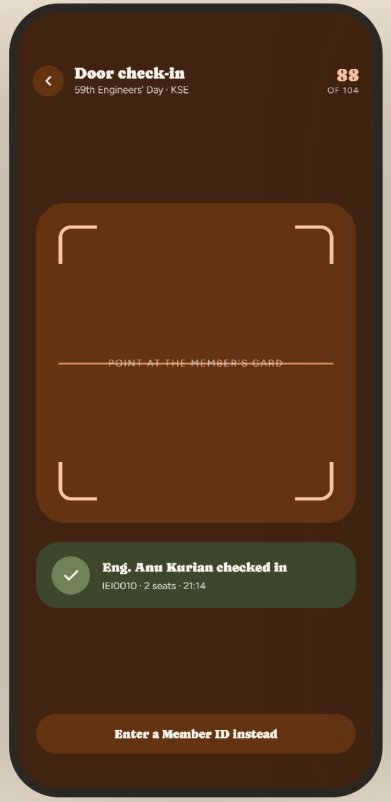

FOR THE OFFICE BEARERS

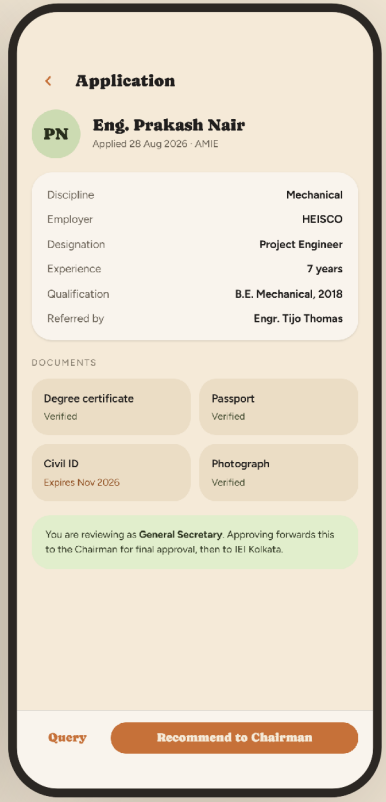

# Executive Committee tools

EC home

Door check-in

Review application

Renewal risk, applications awaiting review, receipts to confirm, and tonight's attendance.

An application runs General Secretary → Chairman. The treasurer is the only role that can confirm a receipt.

BRACKETED IN THE PROTOTYPE

# Awaiting the chapter office

| | |
|---|---|
| Subscription year window | The exact dates the KD 20 covers |
| AMIE examination sessions | Registration close and examination dates |
| Meetings and EC meeting records | Nothing published on the website to import |
| Wing convenors, auditor, webmaster | Names for the Executive Committee screen |
| Event photographs | Ten albums are ready and empty |
| Job portal employers | Real vacancies, salary bands and referrals |

WHAT I NEED FROM THE COMMITTEE

# Next steps

1

## Sign off the flows

Confirm the seven tabs and the member journey as shown, so the build can be quoted.

2

## Send the bracketed data

The office fills the list on the previous slide — one spreadsheet, one folder of photographs.

3

## Pick twenty testers

A fortnight of real use before the AGM, across grades and disciplines.
